

CLAUDE FABLE 5 AI GENERATIONS

Clickable source links with short notes from the Final Cut Pro timeline.

1. Matt Shumer

Claude Fable 5 generated a Hogwarts fly-through demo.

https://x.com/mattshumer_/status/2072511611705692298

2. Anshu

Fable built an ocean wildlife video with Seedance clips and smooth transitions.

<https://x.com/anshuc/status/2072922632605819076>

3. bubblegum

Fable 5 builds a hunter-gatherer, WoW-like game in about five minutes.

<https://x.com/bbgm21e8/status/2072813949490262092>

4. X search: created with fable 5

Search results showing Fable 5 examples like a game and a Pokemon clone.

https://x.com/search?q=created%20with%20fable%205&src=typed_query

5. ForestryGames

A browser-based game made with Fable, Claude, and Three.js in under 20 minutes.

<https://x.com/ForestryGames/status/2072523801926184999/video/2>

6. Rosebud AI

Notes that Fable can one-shot demos, while game design and distribution still need expertise.

https://x.com/Rosebud_AI/status/2072952363443257365

7. shiplogged

Claude/Fable used to ship games, a trading bot, a Chrome extension, and build-log content.

<https://x.com/shiplogged/status/2073013366646292771>

8. Madni Aghadi

Shares a Claude/Fable guide with a Minecraft-like game clip.

https://x.com/hey_madni/status/2072970510770864447

9. Koi Pond demo

A non-X demo page: Koi Pond - Long Play, built by Claude Fable 5 on TypingMind.

<https://www.bubbly.com/app/koi-pond.html>

10. hqmank

Shows a Fable output matching reference texture, lighting, depth, glass panels, and layout.

<https://x.com/hqmank/status/2072518202819743972>

11. Ehsan Azish - video 1

Compares an older Apple TV kids app with a Fable 5-improved version.

<https://x.com/ehzish/status/2072983884963209295/video/1>

12. Ehsan Azish - video 2

Second video attachment for the same Apple TV app overhaul comparison.

<https://x.com/ehzish/status/2072983884963209295/video/2>

13. Vaibhav Sisinty

Shows an interactive Claude/Fable demo with action and fitness-style tasks.

<https://x.com/VaibhavSisinty/status/2072983741396582475>

14. Oluwaphilemon

Claude Fable 5 + Sonnet 5 creates a \$2,000-style landing page from one prompt.

<https://x.com/Oluwaphilemon1/status/2072975286908453020>

15. Ali Grids

Fable 5 builds a detailed V8 engine, CAD-style model in under 10 minutes.

<https://x.com/AliGrids/status/2072937085271527586>

16. KingWilliam

A how-to-prompt Claude Fable 5 style post with a Tokyo Metro demo and article.

https://x.com/kingwilliam_/status/2072837974677463311

17. Mirochill

Compares Claude Fable 5 against GPT 5.6 Pro on a 3D animal-bike racing game.

<https://x.com/mirochill/status/2072742150907871623>

18. Magnus

Tests Fable 5 on an open-world horse game using Three.js.

<https://x.com/getmagnus/status/2072774134606565432>

19. Chris

Describes an automation that finds hot unshaded patios, renders pergola fixes, and mails targeted postcards.

<https://x.com/everestchris6/status/2072687270709309589>
