

Higgsfield inside ChatGPT

+ 261 Codes

Add the Higgsfield plugin to ChatGPT, upload one image, select @Higgsfield and type one short code. That is the whole workflow.

HOW TO USE IT IN CHATGPT

01 ADD THE PLUGIN

Click the lime button above. On the Higgsfield page press Add Higgsfield plugin, then Add in ChatGPT.

02 SIGN IN

Connect your Higgsfield account. Generations use your Higgsfield credits.

03 UPLOAD

Open a new chat, press + and attach your image.

04 SELECT @HIGGSFIELD

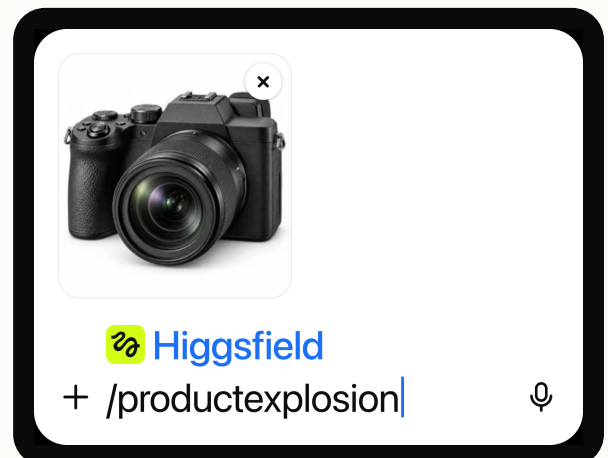

Type @ and pick Higgsfield. The green Higgsfield tag appears in the message box.

05 TYPE A CODE

Add one code from this PDF, for example /productexplosion, and send. Keep the best result.

STEP 04 - TYPE @ AND PICK HIGGSFIELD

STEP 05 - IMAGE + TAG + CODE, THEN SEND

261 codes

001 - 054

Upload your image, select @Higgsfield, type the code and send. Image codes also work in a normal ChatGPT chat.

HIGGSFIELD PLUGIN COMMANDS - VIDEO

18

001	/productexplosion	Blows your product apart into floating parts, like a 3D exploded-view ad.
002	/macroreveal	Starts on a tiny detail, then pulls back to reveal the whole subject.
003	/macrozoom	Pushes into an extreme close-up of fine detail and texture.
004	/ugc	Makes a realistic creator-style video of a person using your product.
005	/tvcommercial	Turns a product photo into a polished TV-commercial shot.
006	/360	Orbits the camera a full circle around your subject.
007	/orbitshot	Slow cinematic orbit around one fully visible subject.
008	/fpvdrone	Races a drone camera through your scene at high speed.
009	/flyover	Sweeping aerial pass over a wide landscape or skyline.
010	/earthzoom	Zooms from space straight down to your location.
011	/slowmotion	Plays a splash, burst or fast moment in dramatic slow motion.
012	/pov	Shows the scene through the eyes of a cyclist, chef, dog or anyone you name.
013	/dollyzoom	Vertigo effect: the subject stays put while the background stretches.
014	/spiralshot	Spirals the camera up and around the subject.
015	/glambot	Fast glam camera whip around an outfit, hair flip or twirl.
016	/thirdpersonview	Follows your subject from behind like a game camera (upload a video).
017	/gimbalshot	Smooth stabilised glide through a hallway, path or room.
018	/zoomout	Starts close on the subject and pulls out to reveal the setting.

PORTRAITS AND PERSONAL BRAND

30

019	/headshot	Turns a casual photo into a clean professional headshot.
020	/profilepic	Sharp, friendly profile picture for any platform.
021	/editorial	Restyles your photo as a magazine editorial portrait.
022	/studioportrait	Pro studio portrait with soft key light and a seamless backdrop.
023	/blackwhite	Dramatic black-and-white portrait with rich contrast.
024	/filmportrait	Gives the portrait the grain and colour of 35mm film.

025	/moodyportrait	Deep shadows and cinematic contrast on the face.
026	/magazinecover	Puts you on a magazine-style cover with headline space.
027	/fashionshoot	Turns your photo into a high-fashion campaign shot.
028	/streetstyle	Off-duty street-style photo on a city sidewalk.
029	/redcarpet	Red-carpet arrival with camera flashes behind you.
030	/paparazzi	Candid celebrity snapshot with harsh flash.
031	/flashphoto	Direct-flash party look with punchy shadows.
032	/disposable	Looks like a cheap disposable-camera snapshot.
033	/instantphoto	Instant-film print with a white frame and faded colour.
034	/yearbook	Classic school yearbook portrait.
035	/idphoto	Plain, evenly lit ID-style photo on a neutral background.
036	/fitnesscover	Athletic cover shot with hard light and sweat sheen.
037	/gymshot	Energetic workout photo in a modern gym.
038	/officeportrait	Relaxed business portrait in a bright modern office.
039	/speakerstage	Shows you presenting on a big conference stage.
040	/podcaststudio	Places you behind a microphone in a podcast studio.
041	/familyportrait	Warm, coordinated family photo in natural light.
042	/couplephoto	Romantic couple shot in soft golden light.
043	/weddingphoto	Elegant wedding-day portrait.
044	/actionfigure	Turns you into a boxed collectible action figure.
045	/avatar3d	Stylised 3D character version of you.
046	/caricature	Playful exaggerated caricature drawing.
047	/clayfigure	Handmade clay figurine version of you.
048	/sticker	Die-cut sticker of you or your subject.

PRODUCTS AND ADS

38

049	/adcreative	Builds a full ad around your product with headline and layout.
050	/lifestyleshot	Places your product in a real, lived-in scene.
051	/packshot	Clean e-commerce shot on pure white.
052	/heroshot	Dramatic hero image with bold light and reflections.
053	/flatlay	Styled top-down flat-lay arrangement.
054	/floating	Makes the product levitate with a soft shadow below.

261 codes

055 - 121

Upload your image, select @Higgsfield, type the code and send. Image codes also work in a normal ChatGPT chat.

055	/splash	Hits the product with a dynamic liquid splash.
056	/ingredients	Surrounds the product with its ingredients.
057	/podium	Presents the product on a sleek display podium.
